A first impression

Imagine waking up every morning surrounded by the timeless beauty of the Vicenza hills, with views opening onto breathtaking landscapes and unspoiled nature. This exclusive hillside complex, located in Barbarano Mossano, is the perfect setting to bring to life your dream of a unique tourist-retail business.

Here, the combination of nature and tradition is transformed into an extraordinary opportunity: a cozy bed & breakfast, a farmhouse immersed in nature or a facility dedicated to sustainable tourism. The land, rich in potential, hosts an olive grove of about 5,000 square meters, while two buildings under construction are just waiting to be completed to tell a new story: one for residential use and the other for use as a stable/stable, with the possibility of a third area dedicated to tourist accommodation activities.
