Celestial Villa – Effortless Elegance with Breathtaking Aegean Views

Perched on the coveted hillside of Agios Lazaros, Celestial Villa is a refined Mykonian residence that combines contemporary elegance, architectural clarity, and a setting of extraordinary natural beauty.

From every vantage point—indoors and out—the views are nothing short of spectacular. A sweeping 180° panorama stretches endlessly across the Aegean Sea, with the sacred island of Delos at its center. Whether you're relaxing by the pool, dining al fresco, or waking up in your private suite, the horizon is always present—vast, luminous, and utterly unobstructed. It's a perspective that constantly shifts with the light, offering a new masterpiece at every hour of the day.

The villa is thoughtfully arranged into two independent units, offering a total of nine en-suite bedrooms—ideal for hosting family and guests in distinct yet connected living areas. Interiors are bathed in natural light, defined by clean lines, earthy textures, and a soft neutral palette. Cycladic purity meets modern refinement, creating a quiet sense of luxury and ease. The indoor-outdoor flow invites you to live fully in the landscape.

Outside, the infinity pool appears to merge with the sky, while shaded lounges, a bar, BBQ area, and multiple dining terraces create the perfect setting for summer moments—whether tranquil or festive.

Celestial Villa is more than a residence—it's a sanctuary of space, light, and privacy. A home where elegance is effortless, and the view is eternal.
