The family-friendly house impresses with an individual floor plan, a very well-kept condition, a variety of features and the green surroundings. The numerous windows provide plenty of light and a magnificent view of the well-tended garden. Large rooms, triple glazing with electric external blinds and underfloor heating throughout the house ensure a cozy living atmosphere. The wooden staircase is a real eye-catcher in the spacious hallway. Passing the guest WC with shower and a small study as well as the utility room with washing machine connection, you reach the bright and friendly living room with open kitchen and two terrace entrances on the east and west sides. The bedroom with dressing room and balcony, from which you can enjoy the view of the greenery, awaits you on the upper floor. Two further bedrooms, a bathroom with shower and corner bath and a storage room are also located on this level - the highlight is the floor-to-ceiling window in the hallway on the upper floor. An attic is available for storage purposes. The house is heated and the hot water is provided by an air heat pump. A large garage with electric door was built in 2020 - further parking spaces for your cars are available.
