A first impression

This modern and prestigious terraced house has been constructed to the highest ClimateHouse standard "A," ensuring excellent energy efficiency. The property offers a high degree of privacy. The entrance on the ground floor opens directly into the spacious living and dining area with direct access to the garden. Thanks to large floor-to-ceiling sliding windows and an optimal south-east orientation, this area benefits from abundant natural light. Additionally, a guest bathroom with a window is located on the ground floor.

An internal staircase leads to the first floor, where the sleeping quarters are situated. This level comprises a generous suite with a private bathroom and terrace access, as well as two well-proportioned single bedrooms. A further naturally lit master bathroom completes the upper floor's layout. The property is equipped with a modern underfloor heating system that can be individually controlled in each room, providing a comfortable indoor climate throughout.

A special highlight is the covered rooftop terrace, accessible via another internal staircase, offering magnificent views of the Rosengarten (Catinaccio). This space is currently used as a hobby area and features a high-quality Jacuzzi whirlpool and a multifunctional steam bath – perfect for relaxation. For fitness enthusiasts, a dedicated workout area is also available.

The offering is completed by a spacious double garage with an automated door, an additional uncovered parking space, and a cellar. Built in 2014, the property boasts high-quality finishes and state-of-the-art technology. It is subject to the agreement under Article 79 of the local land law.
