A first impression

A short walk from the Bisceglie seafront (1.1km - about 15 minutes walk), we offer for sale a beautiful villa, immersed in an oasis of greenery and tranquility. An exclusive solution where every detail has been taken care of with the utmost attention to offer an unparalleled living experience. Surrounded by a large garden of 800 square meters, this mansion gives enchanting scenery thanks to its three fountains, ornamental plants and lush mimosas that give color and fragrance in every season. Internally with a generous square footage of 148 square meters it consists of: main entrance that introduces us to the large and bright living room and the spacious and functional kitchen. A second entrance that leads us to a cozy veranda, perfect to enjoy the garden at any time of the day; while the sleeping area consists of two comfortable small bedrooms, one of them equipped with a refined custom-made closet, a bathroom and an elegant master bedroom with en suite toilet. On the basement floor (connected by an internal staircase), we find an independent apartment of 50 square meters, consisting of living room, bathroom and bedroom, perfect for guests or for those who want a separate living solution. Completing the solution is a convenient 111 sq m garage that offers ample space for multiple vehicles and storage needs. This property not only offers ample indoor and outdoor space, but is also equipped with a modern photovoltaic system that ensures excellent energy efficiency.
