## A first impression

Newly built apartment a few steps from the lake class A3:

### ELEGANCE AND COMFORT

This stunning home represents the perfect balance between design and functionality. The property is located in a strategically served location of Como, which allows you to enjoy the wonders of the Como area.

Villa Erba or Villa D'este within walking distance is easily accessible for a scenic walk, Lake Como within walking distance, boat connection, supermarkets, shopping center, pharmacies, schools and bus stop.

Worth viewing: the rendering shows this three-bedroom apartment composed of living area that harmoniously integrates with the open kitchen area, creating an open space ideal for daily living to accommodate guests. From the kitchen there is direct access to the delightful small garden on the property.

The sleeping area consists of two comfortable bedrooms, flanked by a full bathroom, practical storage room that optimizes the space of the house. To complete the property, an uncovered parking space owned that ensures the convenience of always available parking.

### Construction Quality and Finishes of Excellence

The property is distinguished by the use of high-quality construction materials and fine finishes that lend elegance and durability over time. Aluminum windows and doors with triple glazing ensure optimal thermal and acoustic insulation, while electric shutters with home automation gateway provide maximum comfort in managing brightness and home privacy.

### State-of-the-art Technological Systems

The house is equipped with a state-of-the-art plant system that combines energy efficiency and smart technology. The 3 kW of proprietary photovoltaic panels, dedicated exclusively to the apartment, ensure significant savings on energy consumption, while autonomous heating with heat pump ensures optimal thermal comfort with low running costs.

Provision for air conditioning and a wallbox for charging electric cars make the home ready for the future needs of sustainable mobility. The BTicino Now series electrical system represents excellence in residential home automation, offering intelligent and personalized control of all home systems.

### Unique Customization Opportunities:

Currently undergoing the finishing touches, this property offers a rare opportunity for customization. In fact, it is possible to request the choice of bathroom finishes according

to one's own aesthetic tastes, creating a completely bespoke environment. In addition, for those who want a turnkey solution, the option is available to receive the house fully furnished with quality furniture and accessories selected by experts in the field.
