Une première impression

Beautifully renovated family sanctuary: a spacious approx. 252 m² ground-floor residence spanning three stories, nestled within the Oud-Zuid.

With six inviting (bed)rooms and three luxurious bathrooms, there's a private haven for everyone. Generous living spaces and a deep, sun-drenched south-facing garden with its own outdoor kitchen perfect for summer days. Three charming balconies offer intimate retreats, and original details are meticulously preserved throughout the home.

It's a stylish blend of historic charm and modern living, steps from the Vondelpark, all within a magnificent national monument from 1896, a masterpiece of Art Nouveau design by Gerrit van Arkel.
