## Az első benyomás

An unfinished hotel in the magnificent Platis Gialos of Mykonos is for sale. This property, with a total area of 444 sq.m., is located on a plot of 5.000 sq.m., offering plenty of space for development and creating unique experiences for your guests. There is a proposed plan for a boutique hotel consisting of 12 rooms, each with its own bathroom. The spectacular, unobstructed sea views are the main feature of this property. It is located very close to the sea and the renowned beach of Platis Gialos, offering easy access to the crystal clear waters and sandy shores of Mykonos. Although the hotel is unfinished, the property offers countless possibilities for tourist exploitation. Future owners can create a luxury tourist unit with all modern amenities such as a swimming pool and storage facilities. In addition, its location in a residential area makes it ideal for residential or holiday home development. If you are interested in investing in a property in Mykonos with huge potential and creating a holiday paradise, this hotel in Platis Yalos is the ideal choice for you. This opportunity should not be missed!
